801-310-9809

Education:

Bachelor's Degree In Communication

Disorders: I graduated in 2021 with a Bachelor's Degree in Communication Disorders from Brigham Young University

Work Experience:

Retail: 2015-2016

Madison on 6th Boutique
Provo, UT

Job requirements included helping customers, organizing inventory, and creating schedules.

Waitress: 2016-2017

Two Jack's Pizza
Springville, UT

My job was to help with food preparation, take orders, serve food, and clean the restaurant.

Security Guard: 2017-2020

MTC (Missionary Training Center)
Provo, UT

I worked primarily in scheduling appointments and helping visitors feel welcome and understand the area. I was a first responder in emergency situations, and secured help for maintenance, electrical, and safety issues.

Karate Instructor: 2015-Present

Cory's Karate

Springville, UT

I instruct and oversee classes, organize events, and train other instructors. I work with students ages 5-29, and many special needs children.

Registered Behavior Technician:

2021-2022

Kids on the Move
Orem, UT

I worked one on one with children on the autism spectrum. I helped them to develop and maintain skills such as reading, playing games with others, washing hands, producing words, and controlling emotions.

Research Experience:

Dr. Peterson's Arizona and DYMOND

Research Teams: 2020-2021

Brigham Young University

I worked in a team of student's dedicated to finding a more efficient and manageable way to identify language disorders in young children through narrative retells.

Dr. Nissen's Auditory Perceptual Analysis Project: 2020

Brigham Young University

I participated as a volunteer to help test auditory perceptual analysis software. I listened to and completed surveys regarding multiple programs.

FCCLA Business Competition: 2016

Worked with a team to create a business model that was awarded at the state level for practical and well designed business

Interests:

Painting, fiction and science fiction books, martial arts, ASL, baking, sculpting, Minecraft, hiking, piano.
